TURKS READY FINAL ASSAULT UPON ITALY

As a result of the diplomatic and military action of 1908, Turkey establishes an army in Ankara. No word was received from Italy on the required removal of a unit, so pursuant to the rules of postal Diplomacy the Gamesmaster removes the Italian army in Bohemia. As soon as this game, 1964A, ends, a new postal Diplomacy game will begin in GRAUSTARK. Send in your entry fee of \$2.00 now so you will be able to begin play when 1964A ends.
